

Lake Brantley Rowing Association Academic Code

Lake Brantley Rowing Association (LBRA) requires a minimum GPA of 2.0 unweighted. A GPA is a cumulative grade point that is figured twice in a school year, once from the January report card (first semester grades at the end of December) and again in August (second semester grades and summer school if applicable). A rower who falls below this requirement will be on suspension from the team for a full semester after the grade requirement was not met. A suspension shall mean that a rower will not race with the club. If a rower's cumulative GPA attains a status of 2.0 or greater the following semester, the rower shall be reinstated with full privileges.

A novice rower (first year rower) must have a 2.0 GPA to join crew.

I understand that a faculty member will be contacted by the scholarship chair to check the GPA of the rowers including incoming freshman. I further understand that a faculty member will then let the scholarship chair and head coach of the club know the names (not the GPA) of the rowers below a 2.0 GPA. The faculty member will also notify the scholarship chair of each class' highest grade point for awards at the annual crew banquet in the spring. In the event a rower must be suspended from racing due to grades, the Lake Brantley High School Faculty member will notify the scholarship chair, who will then personally contact the rower and his/her parents/guardians.

I fully understand that my child's grades will be checked by LBRA and do hereby give my consent.
