

Lake Brantley Rowing Association

Lake Brantley Rowing Association was founded in 1988 by a group of students who were interested in beginning a rowing program at Lake Brantley High School. LBRA is a not-for-profit organization. We are a self-supporting rowing club that owns our own equipment, hires our coaches and provides practice facilities. Our club is open to the entire student body, both women and men. We require no previous rowing experience. Not every sport can make this offer. Rowers' families are encouraged to participate in all aspects of our club.

This fundraising event is particularly crucial to the continued success and legacy of LBRA. Because of fund raising events like the golf tournament, our dream of having our own boathouse came true last fall. Your help and your tax-deductible contribution will help us maintain a permanent home for future rowing athletes for years to come.

We thank you for supporting our club. Your generosity will enable our organization to grow, become more competitive and more successful. If you have any questions please feel free to call Dean Hewitt at (407) 222-8470 or visit our website at www.lakebrantleycrew.org, click "fundraising" for more information.
